### **DETAILED ACTION**

1. Claims 1-22 and 24-56 are pending in this application. Claims 57-83 are canceled. Claims 1-56 are pending in this application.

### ***Allowable Subject Matter***

2. The indicated allowability of claims 1-53 are withdrawn in view of the new ground of the rejection (112 second paragraph). Rejections based on the newly ground of rejection that follow.

### ***Information Disclosure Statement***

3. The information disclosure statement (IDS) submitted on 04/29/2009, 05/18/2009 and 05/06/2009. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 1-23 and 25-56 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 1 recites "may be" in line 5 which render indefinite because the term "may be" does not require the tasks to be in contention with other task; therefore, the creation of jobs are not required.

Claim 52 recites "may be" in line 6 which render indefinite because the term "may be" does not require the tasks to be in contention with other task; therefore, the creation of jobs are not required.
